

BUILDING OUR
TOMORROWS *today*

Why Building Our Tomorrows Today?

- It was started 40 years ago, we are now moving it forward.
- FCS students/families represent over 100 different churches.
- Working with the local churches and our community to make this generation a generation of “world changers.”

What does Phase 1 of Building Our Tomorrows Today look like?

- Improved programs
 - *Expanded academic offerings*
 - *Quality training for our teachers*
- Improved facilities
 - *Paint and flooring (in progress)*
 - *Updated furnishings*
 - *New playground for K-6*

Phase 2 & 3 of Building Our Tomorrows Today

- Phase 2 is an expansion of the FCS Gym with modern classrooms and upgraded athletic facilities.
- Phase 3 is a new elementary facility on campus.

Why now?

- Where some people saw obstacles, Nehemiah and those with him saw opportunities.
- The community came together to rebuild the walls of Jerusalem.
- Some see students, I see “world changers.”
- Will we come together to prepare our “world changers?”

My Journey to FCS

- Silas Bartsch School
- God's calling
- "The List"
- God's love
- God's plan
- 2 Corinthians 4:18
- We are all called...

“What can I do?”

- First, let’s all recognize the many families and people that have prayed and supported FCS for decades.
- Like the walls of Jerusalem, families/community will step up to rebuild the walls and gates of FCS.
- TIME, TALENTS, TREASURES and TOMORROWS.
